THIS IS UNEVALUATED INFORMATION

25X1X

1. As of December 1952 an average of six Russian trains per week passed through the main station at Opole (Opolein)(P 51/J 17), heading for Breslau (Breslau). The trains carried army vehicles, tanks and artillery pieces.
2. Freight trains passed through the main station only when the freight station was overloaded. There are two other stations in Opole besides the main station and the freight station; they are called the East and West stations.
